DISCUSSION

NJ Department of Education School Performance Reports - Mr. Roth

Dr. Osborne introduced the discussion topic and noted that the Performance Reports for last year have been released since the last Board meeting and are available on the Department of Education website.

Mr. Roth gave a powerpoint presentation with the following highlights:

- School Performance Reports replaced School Report Cards in 2011-12 and while many other elements contribute to the success of a school, the hope is that these new reports will inform conversations at the local level about where schools are doing well and where they can improve.
- Measurements include peer comparison groups, student growth, college & career readiness, graduation & post secondary enrollment, and academic achievement.
- Columbia High School data included graduation rates, and PSAT exam results that show a steady increase in college readiness over the last three-years.

The presentation was followed by a brief discussion among Board members with comments and questions that include:

- Academic achievement and growth by school
- peer groups more reflective of the actual population than DFG's
- PSAT improvements due to many initiatives in place
- Connection between elementary programs and future performance in middle school and high school

[Presentation is on file in Board Secretary's office and posted on the district website].

2014-15 Budget - Mrs. Schneider

Mrs. Schneider presented the preliminary 2014-15 school budget development with focus on:

- The budget development process
- Revenue sources and historical trends
- The guiding budgeting principle is to align to District Goal Four including Common Core State Standards (CCSS) and Partnership for Assessment of Readiness for College & Careers (PARCC) and to rein in spending of the major cost drivers such as:
 - Health benefits
 - Special Education Costs
 - Maintenance
 - Energy
 - Transportation
- Resource assumptions
 - State Aid - 2014-15 same as 2013-14
 - Federal Grants - same as 2013-14
 - Excess Surplus from 2012-13 lower than 2011-12 amount
 - Banked cap available to allow taxing authority above 2%
- Redirect resources to impact student achievement
- Estimated Tax Impact
- Budget Calendar through April 28 Public Hearing to Levy 2014-15 school tax

Dr. Osborne mentioned that the amount of state aid is not yet known but should be later this week.

The presentation was followed by a brief discussion among Board members with comments and questions that include:

- State acknowledged that a 2% increase is not enough to meet our needs through adjustments
- Impact of charter schools
- Can summer school program be run by charging a fee rather than reducing offerings?
- With so many students participating in the arts, would not want to cut there
- What are the costs or savings associated with the pairing of Marshall and Jefferson schools?
- Mr. Bennett has contacted about 40 districts regarding state aid and is working to find out about partial funding.

[Presentation is on file in Board Secretary's office and posted on the district website].

Gifted & Talented - *Dr. Furnari*

Dr. Furnari's presentation included background information since the Guiding Change document was approved in October, 2012 and planning information including an advisory committee that met to create three draft model options for the program to date. The models under consideration were reviewed. Going forward, work will include finalizing the chosen draft, developing regulations associated with District Policy 2464 and preparation of a budget analysis and strategy of communication for a proposed program launch in September, 2014.

The presentation was followed by a discussion among Board members that included comments related to:

- Differentiated instruction with professional development support for teachers
- Reassignment of staff to eliminate expense of additional staff
- Were successful models in other districts considered?
- Would like to see more substantial choices for the Board to consider such as different models of instruction.

The Depository Trust Company will be responsible for maintaining a book entry system for recording the interests of its participants or the transfers of the interests among its participants. The participants will be responsible for maintaining records recording the beneficial ownership interests in the Bonds on behalf of individual purchasers. Receipt by the Beneficial Owners (through any DTC Participant) of timely payment of principal, premium, if any, and interest on the Bonds, is subject to DTC making such payment to DTC Participants and such DTC Participants making payment to Beneficial Owners. Neither the Board of Education nor any Paying Agent will have any direct responsibility or obligation to such DTC Participants or the persons for whom they act as nominees for any failure of DTC to act or make any payment with respect to the Bonds.

The appropriate officers of the Board of Education are hereby authorized to execute Letters of Representation to DTC and such other documents as may be necessary or desirable in connection with DTC's services as securities depository.

DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Board of

Education and discharging its responsibilities with respect thereto under applicable law. Under such circumstances the Board of Education shall designate a successor securities depository or deliver certificates to the beneficial owners of the Bonds, as the case may be.

SECTION 8. Ownership of Bonds. The Board of Education and any Paying Agent may treat and consider DTC as the holder and absolute owner of any Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of or interest thereon and for all other purposes whatsoever.

The participants are responsible for maintaining records regarding the beneficial ownership interests in the Bonds on behalf of individual purchasers.

The Bonds maturing prior to March 1, 2025 are not subject to redemption prior to their stated maturities. The Bonds maturing on or after March 1, 2025 are redeemable at the option of the Board of Education in whole or in part, on any date on or after March 1, 2024, upon notice of redemption given by the Board of Education by first class mail, postage prepaid, to the registered owner of any Bond to be redeemed at the address shown on the registration books of the Board of Education not less than thirty (30) days nor more than sixty (60) days prior to the redemption date; provided, however, that failure to mail or to receive such notice, or any defect therein, shall not affect the validity of the proceedings for redemption. The Bonds subject to redemption shall be redeemed at 100% of the principal amount to be redeemed, plus accrued interest to the date fixed for redemption.

If the Board of Education determines to redeem a portion of the Bonds prior to maturity, such Bonds shall be redeemed in any order determined by the Board of Education, and within any maturity, by lot.

The full faith and credit of the Board of Education are hereby pledged for the punctual payment of the principal of and interest on this Bond according to its terms.

In the event the Board of Education determines that it is in the best interests of the beneficial owners of the Bonds (the actual purchasers of the Bonds) that they be able to obtain certificated Bonds, the Board of Education may notify The Depository Trust Company ("DTC") of the availability of Bond certificates. In such event, the Board of Education will appoint a paying agent and the Board of Education will issue, transfer and exchange Bond certificates as required by DTC and others in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving a reasonable amount of notice in writing to the Board of Education and discharging its responsibilities with respect thereto. In the event of such determination, if the Board of Education fails to identify another qualified securities depository as successor to DTC, the Board of Education will appoint a paying agent and the Board of Education will issue and deliver replacement Bonds in the form of fully registered certificates. Whenever DTC requests the Board of Education to do so, the Board of Education will cooperate with DTC in taking appropriate action (a) to make available one or more separate certificates evidencing the Bonds to any participant of DTC having Bonds credited to its DTC account or (b) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and statutes of the State of New Jersey to exist, to have happened or to have been performed precedent to or in the issuance of this Bond, exist, have happened and have been performed and that the amount and terms of this Bond do not exceed any limitation imposed thereon by said Constitution or statutes.

IN WITNESS WHEREOF, the SOUTH ORANGE-MAPLEWOOD BOARD OF EDUCATION, IN THE COUNTY OF ESSEX, has caused this Bond to be executed by the manual or facsimile signature of its President or Vice President, the corporate seal of the Board of Education to be hereunto affixed, imprinted, engraved or reproduced hereon and to be attested by the manual signature of the Secretary or Assistant Secretary of the Board of Education, all as of the ___ day of March, 2014.

The Board of Education covenants and agrees with the holders of the Bonds that the Board of Education shall not take any action or omit to take any action, which action or omission, if reasonably expected on the date of initial issuance and delivery of the Bonds, would cause the Bonds to be "private activity bonds" or "arbitrage bonds" within the meaning of Sections 141(a) and 148, respectively, of the Code, or any successor provision.

- (2) All Bids must be submitted on the MuniAuction website at www.GrantStreet.com. No telephone, telefax, telegraph or personal delivery Bids will be accepted.
- (3) All Bids for the Bonds must be submitted on an AON basis.
- (4) Each proposal submitted must name the rate or rates of interest per annum to be borne by the Bonds and the rate or rates named must be multiples of 1/8 or 1/20 of 1%. Not more than one rate may be named for Bonds of the same maturity. There is no limitation on the number of rates that may be named. If more than one rate of interest is named, no interest rate named for any maturity may be less than the interest rate named for any prior maturity. Each proposal submitted must state the purchase price, which must be not less than \$5,080,000 nor more than \$5,081,000. The Bonds will be awarded to the bidder on whose bid the total loan may be made at the lowest net interest cost. No proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the Board of Education under any legally acceptable proposal. The auction end time will continue to be extended, indefinitely, until a single leading Bid remains the leading Bid for at least two (2) minutes.
- (7) Bidders may change and submit Bids as many times as they wish during the bidding time period; however, each and any Bid submitted subsequent to a Bidder's initial Bid must result in a lower Net Interest Cost (as defined herein and referred to as "NIC") when compared to the immediately preceding Bid of such Bidder. In the event the revised Bid does not produce a lower NIC, the prior Bid will remain valid.
- (8) The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid.
- (9) During the Bidding, no Bidder will see any other Bidder's Bid, but Bidders will be able to see the ranking of their Bid relative to other Bids (e.g., "Leader", "Cover", "3rd", etc.).

Rules of MuniAuction

The rules of MuniAuction (the "Rules") can be viewed on MuniAuction and are incorporated herein by reference. - (8) Neither the Board, Bond Counsel, nor the Auction Administrator is responsible for protecting the confidentiality of a Bidder's MuniAuction password.
- (9) If two (2) Bids are submitted in the auction by the same or two or more different Bidders and result in the same NIC, the first confirmed Bid received by MuniAuction prevails. Any change to a submitted Bid constitutes a new Bid, regardless of whether there is a corresponding change in NIC.
- (10) Bidders must compare their final Bids to those shown on the Observation Pages immediately after the bidding time period ends, and if they disagree with the final results shown on the Observation Pages they must report them to MuniAuction within fifteen (15) minutes after the bidding time period ends. - "Bidder" any firm registered with either MuniAuction or Grant Street and approved for participation in auctions.

"Net Interest Cost" computed by adding to the total principal amount of bonds bid for, the total interest cost to maturity in accordance with such bid and by deduction therefrom of the amount of premium, if any, bid or the addition thereto of the amount of discount, if any, bid. The Net Interest Cost serves as the basis for awarding bonds to winning Bidders.

Bid Procedure and Basis of Award

Subject to the right reserved by the Board to reject any or all Bids, the Bonds will be sold to the Bidder whose Bid produces the lowest NIC for the Board and otherwise complies with the Notice of Sale.

Bids must remain valid until at least 3:00 p.m., prevailing time, on the date of the sale, and if accepted by the Board, prior to such time, shall be irrevocable except as otherwise provided in the Notice of Sale. Upon selection of the winning Bidder, the Board will execute an award certificate to award the Bonds and will promptly communicate with the winning Bidder by telephone, e-mail or fax.

Bid Security and Method of Payment for Bonds

A Good Faith Deposit ("Deposit") in the form of a cash wire, certified, cashier's or treasurer's check or a financial surety bond in the amount of \$101,600 payable to the order of the Board of Education, is required for each bid to be considered. Bidders intending to submit cash wires should contact the Business Administrator, Cheryl Schneider, for the wiring information and must provide the Board of Education (i) notice of their intent to use such cash wire prior to [10:00 a.m.] (New Jersey time) on March __, 2014; (ii) proof of electronic transfer of such cash wire prior to [10:30 a.m.] on March __, 2014; and (iii) return wiring instructions. If a check is used, it must be a certified, cashier's or treasurer's check and must be provided to the Board of Education prior to the time for bids to be submitted. Each bidder accepts responsibility for delivering a cash wire or a check on time and the Board of Education is not responsible for any cash wire or check that is not received on time. If a financial surety bond is used, it must be from an insurance company or other guarantor licensed and authorized to do business in the State of New Jersey and approved by the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs (the "Director") to issue financial surety bonds. Any such financial surety bond must be submitted to the Board of Education no later than 5:00 p.m., New Jersey time, on the day prior to the opening of the Bids at 525 Academy Street, Maplewood, New Jersey 07040. At present, the Director has only approved the use of Sure-Bid, a division of Financial Security Assurance Inc. Use of any other financial surety bond must be approved by the Director prior to the bid and will not be accepted by the Board of Education unless evidence of such approval is provided prior to the bid. The financial surety bond must identify the bidder whose Deposit

is guaranteed by such financial surety bond and shall state the time and date when it will expire, which date shall not be earlier than the date for submission of the required deposit as required by the next sentence. If the Bonds are awarded to a Bidder utilizing a financial surety bond, then that Winning Bidder is required to submit its Deposit to the Board of Education by wire transfer as instructed by the Board of Education not later than 3:30 p.m. on the next business day following the award. If such Deposit is not received by that time, the financial surety bond may be drawn by the Board of Education to satisfy the Deposit requirement. No interest on the Deposit will accrue to the Winning Bidder. The Deposit will be applied to the purchase price of the Bonds. In the event the Winning Bidder fails to honor its accepted bid, the Deposit will be retained by the Board of Education. Award of the Bonds to the Winning Bidder or rejection of all Bids is expected to be made within two hours after opening of the bids, but the Winning Bidder may not withdraw its proposal until after 3:30 p.m., New Jersey time, of the day for receipt of such Bids and then only if such award has not been made prior to the withdrawal. The balance of the purchase price shall be paid in Federal Funds by wire transfer to the Board of Education on or about March __, 2014.

Right to Reject Bids; Waive Irregularities

The Board reserves the right to reject any and all Bids and to the extent permitted by law to waive any irregularity or informality in any Bid.

Information Required from the Winning Bidder

By making a bid for the Bonds, the winning bidder(s) agrees: (a) to provide to the school district, in writing, immediately upon being unofficially awarded the Bonds, a written confirmation of the bid, as appropriate, which shall include the purchase price, reoffering yield(s), and other related information necessary for completion of the final Official Statement or by Bond Counsel; (b) to disseminate to all members of the underwriting syndicate copies of the Official Statement; (c) to promptly file a copy of the final Official Statement with each nationally recognized Municipal Securities Information Repository; and (d) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of the Bonds to alternate purchasers.

Delivery of the Bonds

The Bonds will be delivered on or about March __, 2014 (UNLESS A NOTICE OF A CHANGE IN THE DELIVERY DATE IS PUBLISHED ON MUNIAUCTION NOT LATER THAN 2 HOURS PRIOR TO ANY ANNOUNCED DATE FOR RECEIPT OF BIDS) in New York City at DTC against payment of the purchase price therefor (less the amount of the good faith deposit) in Federal funds.

There will also be furnished the usual closing papers, including (1) a certificate signed by the officials who signed the Bonds stating that no litigation of any kind is now pending or, to their knowledge, threatened to restrain or enjoin the issuance or delivery of the Bonds, or in any manner questioning the proceedings and authorization under which the Bonds are issued or affecting the validity of the Bonds and
